House  
Freehold

A large townhouse in a desirable location just outside of the Town Centre, only 200m away from the seafront. The house is currently registered as 2 flats, but it would make an impressive property set over 4 floors.

The property requires extensive repair and improvement throughout, and would make an exciting renovation project.

The house has the benefit of a large rear garden, which can also be accessed via a side-lane from Picton Road. Also, there is residents' permit parking scheme on the road outside.
