

29 Trafalgar Road, Tenby, SA70 7DW

£339,000

An exciting opportunity to renovate a spacious terraced house, which boasts 2 reception rooms, 5 bedrooms with 4 en-suites, and 2 single garages and parking to the rear. Situated close to the town centre on a popular residential street, this property is conveniently located a few minutes away from Tenby's South Beach and the amenities surrounding and within the Town Walls.

The two garages together with the space in front provide secure parking for multiple vehicles and additional storage space, a rare find in such a central location.

The house has a mix of uPVC and timber windows, and benefits from gas central heating. It requires modernisation and attention throughout, but would make a fantastic and impressive property when complete.
