

2A Trinity Road, Stamford, PE9 1BP

Beautifully renovated to an exceptional standard, this stunning two-bedroom end-terrace home combines stylish contemporary finishes with a practical open-plan layout, creating an ideal home for first-time buyers, professionals or those looking to downsize.

The heart of the home is the impressive open-plan living space, thoughtfully designed with distinct lounge and kitchen areas that flow seamlessly together for modern living and entertaining. A particular highlight is the superb contemporary kitchen, fitted with integrated appliances, a five-ring gas hob and enjoying attractive views over the rear garden.

To the first floor are two well-proportioned bedrooms, including a spacious principal bedroom, together with a beautifully appointed modern shower room.

Externally, the property enjoys a beautifully landscaped west-facing rear garden, providing an excellent space for outdoor dining and relaxing in the afternoon and evening sunshine. To the front, there is the added benefit of off-street parking.

Combining high-quality finishes, modern upgrades and attractive outdoor space, this exceptional home offers a fantastic opportunity for a wide range of purchasers. Viewing is highly recommended.

Asking Price £230,000 Freehold

The particulars are set out as a general outline only for the guidance of intended purchasers or lessees, and do not constitute, any part of a contract. Nothing in these particulars shall be deemed to be a statement that the property is in good structural condition or otherwise nor that any of the services, appliances, equipment or facilities are in good working order. Purchasers should satisfy themselves of this prior to purchasing.

| Energy Efficiency Rating                    |                         |           |
|---------------------------------------------|-------------------------|-----------|
|                                             | Current                 | Potential |
| Very energy efficient - lower running costs |                         |           |
| (92 plus) A                                 |                         |           |
| (81-91) B                                   |                         |           |
| (69-80) C                                   |                         |           |
| (55-68) D                                   |                         |           |
| (39-54) E                                   |                         |           |
| (21-38) F                                   |                         |           |
| (1-20) G                                    |                         |           |
| Not energy efficient - higher running costs |                         |           |
|                                             | 73                      | 79        |
| England & Wales                             |                         |           |
|                                             | EU Directive 2002/91/EC |           |

| Environmental Impact (CO <sub>2</sub> ) Rating                  |                         |           |
|-----------------------------------------------------------------|-------------------------|-----------|
|                                                                 | Current                 | Potential |
| Very environmentally friendly - lower CO <sub>2</sub> emissions |                         |           |
