From the kitchen, there is also access to a separate utility area housing the boiler, with space and plumbing for a washing machine and tumble dryer.

To the first floor, there are four well-proportioned bedrooms. The principal bedroom benefits from its own en suite shower room, while bedrooms two and four enjoy built-in wardrobes. A modern family bathroom serves the remaining bedrooms and features a three-piece suite with an upgraded electric shower.

Externally, the property enjoys its corner-plot. To the side is a single detached garage, offering flexible additional space, with a double-width driveway providing off-road parking for two vehicles. A paved patio wraps around the property, bordered by a well-maintained lawn and attractive flower beds. Gated access leads into the rear garden, which is mainly laid to lawn with a further paved patio area perfect for outdoor seating.

The views to the front are a standout feature, offering uninterrupted countryside scenery across open fields, with sightlines stretching as far as Astbury Church, an outlook that is increasingly rare and truly special.
