INTERNALLY:

Stepping into the property, you are welcomed by a generous entrance hall that sets the tone for the exceptional accommodation beyond. From here, there is access to the staircase leading to the first floor, a convenient guest WC, a useful storage cupboard, and the beautifully designed ground floor living spaces.

To the front of the home, the elegant lounge is centred around a striking limewash fireplace, creating the perfect focal point and an ideal setting for a log-burning stove. To the rear lies the true heart of the home, an impressive open-plan kitchen, dining and family room, thoughtfully designed for both everyday living and entertaining. The contemporary kitchen is finished to an exceptional standard and features a range of premium integrated appliances, complemented by a stylish central island that provides the perfect space for casual dining, food preparation and socialising. Expansive tri-fold doors seamlessly connect the living space to the rear garden, flooding the room with natural light, while a separate utility room provides additional practicality and keeps the main living area effortlessly streamlined.

The first floor hosts three beautifully appointed bedrooms. The second bedroom enjoys the luxury of its own stylish en-suite shower room, while the third and fourth bedrooms are served by a stunning four-piece family bathroom, complete with both a separate bath and walk-in shower, offering a luxurious retreat for family and guests alike. Completing this floor is a versatile study area, ideal for home working, which also provides staircase access to the principal bedroom above.

Occupying the entire second floor, the magnificent principal suite offers a private sanctuary. Bathed in natural light, this impressive bedroom is complemented by a contemporary en-suite shower room, creating a true boutique hotel feel. The adjoining study space offers excellent flexibility and could easily be transformed into an elegant dressing room or walk-in wardrobe, enhancing this already exceptional principal retreat.

EXTERNALLY:

Externally, the property is equally impressive. To the front, a generous gravelled driveway provides ample off-road parking, while mature greenery bordering the front of the development creates a wonderful sense of privacy and an attractive approach. Beautifully landscaped planting and a well-stocked flower bed enhance the home's kerb appeal, with paved pathways to both sides of the property providing convenient access to the rear garden.

The enclosed rear garden has been thoughtfully designed to offer a private outdoor retreat, bordered by a combination of brick walling and wooden fencing. Predominantly laid to lawn, it also features a spacious paved patio, creating the perfect setting for al fresco dining, entertaining, or simply relaxing. Complete with outdoor lighting and an external power point, this versatile garden provides a fantastic blank canvas to personalise and enjoy throughout the seasons.
