STEPHENSON BROWNE

Situated just off the High Street, tucked discreetly behind the 17th-century listed Old Hall in the heart of Sandbach town centre, this charming two-bedroom character cottage presents a rare and exciting opportunity for investors and developers alike.

Forming part of a small, gated development, the property benefits from a private driveway providing parking for at least two vehicles — an increasingly sought-after feature for town-centre living. To the rear is a private garden, complemented by an abundance of external storage, offering excellent potential for enhancement or reconfiguration, subject to the necessary consents.

The accommodation is arranged over two floors and retains a traditional cottage layout. The ground floor comprises a welcoming and cosy living room, separate kitchen breakfast room, and a bathroom. To the first floor are two well-proportioned bedrooms, both enjoying a pleasant outlook and characterful feel.

Offered for sale via our Fast Sale Service using the Modern Method of Auction through iamsold, the property is available with no onward chain, allowing for a swift and straightforward purchase. This method offers flexibility and speed, making it particularly attractive to developers and investors seeking their next project.

Positioned within moments of Sandbach High Street, the cottage enjoys immediate access to a wide range of shops, cafés, restaurants, and local amenities, as well as excellent transport links — all while being quietly set back in a secluded and historic setting.

A truly rare opportunity to acquire a period property in such a prime town-centre location. Early viewing is strongly recommended.
