OFFERS OVER £300,000

STEPHENSON BROWNE

A five-bedroom semi detached property situated on New Street in the rural village of Haslington. A super sustainable home with 'green credentials'. This opportunity presents buyers looking for extra space for a family, working from home with simple living but offering a modern family residence with the added benefit of 16 Solar Panels and a 9.5kVa battery back up, all recently installed and under guarantee. New Street is a remarkably quaint no-through road tucked away in the heart of Haslington. It is only a short walk from the various amenities that the village has to offer, including: a doctor's surgery, dentist, convenience stores, a post office, local butchers, popular takeaways, an entertainment club, three pubs and a beauty salon, plus a preschool nursery and two primary schools.

Haslington is conveniently positioned on the outskirts of Crewe with only a short drive to Sandbach, Crewe and Stoke-on-Trent. Crewe Railway Station is a short car or public transport way. Junctions 16 and 17 of the M6 motorway are within 15 mins of the village. Haslington is less than 45 minutes from the southern reaches of Greater Manchester, Liverpool and Birmingham. Crewe to London, by rail, is within 1 hour 30 minutes.

This vast family home has a multitude of rooms and versatility on offer. The ground floor is comprised of a cosy living room, with plenty of space for all the family to enjoy, enhanced for extra coziness with a modern and recently installed multi-fuel, log burner.

The newly fitted kitchen / breakfast room is open plan with access to the dining / family room at the rear, a fantastic area to cook and entertain. This entertainment area extends into the secluded garden via French doors. The kitchen has a large surface area of work top and 'floor to ceiling' separate fridge and freezer units. There is an integrated dishwasher and wine cooler to help the entertainment flow as well as a range cooker and extractor. Additionally, the kitchen boasts a separate utility with a sink and washing machine point. This area doubles as a boot and coat storage area. Handy for children and pets. You will also find a very convenient downstairs wet room, separate toilet and a connecting sitting room currently used as a home office but can be thought of as a family playroom, gym or an accessible bedroom 6 for those requiring easy access and care for relatives.

To the first floor, there are five bedrooms, three of which are double, two with fitted wardrobes. The family shower room is well equipped with a low-level WC, shower cubicle and integrated work top with wash hand basin, boasting an abundance of built in cabinetry. The loft is fully boarded out for a suitable place to store your luggage and seasonal decorations!

Externally, the rear garden space has a mixture of paving and raised beds. There is a small storage shed. This area is safe, fully enclosed for pets and children alike. Two gates provide additional safety to a side entrance. To the front, there is an invaluable, recently improved driveway parking which can comfortably accommodate at least 4 medium sized vehicles, a vital asset for a home of this size! There is an external electric point for single phase with an Electric Vehicle charging point.

We highly recommend an early inspection of this property to truly appreciate the space that is on offer.
