The Farndon (Bay)

Modern Comfort, Designed for Flexible Living - The Farndon is a thoughtfully designed three-bedroom home that combines contemporary style with the flexibility families need. On the ground floor, the spacious kitchen and dining area forms the bright heart of the home with its clever use of bi-fold doors, creating a space which is perfect for cooking, dining, and family gatherings. A generous lounge provides a welcoming, light-filled space to relax, while a convenient ground-floor WC and handy storage room add everyday practicality. Plots 1, 6 and 13 enjoy the added advantage of a feature bay window in the lounge, creating an even brighter and more inviting living space.

Upstairs, the layout is designed to adapt to a variety of lifestyles. The master bedroom offers ample space for rest and storage, while the second bedroom, also a double, provides a comfortable area for children or guests. The third bedroom and an additional study room offer further options for growing families or remote working. A contemporary family bathroom and additional storage complete the upper floor, ensuring a calm, organised, and efficiently lit environment throughout.

Modern Living with Future Proof Design - The Farndon is one of our M4(2) compliant homes, built to the highest of standards with accessibility and flexibility in mind, offering a living space that's both stylish and fully adaptable. Designed for ease of movement and future customization, these homes are ideal for those seeking a home that can grow with their needs.
