#### Accommodation

A spacious entrance hall welcomes you into this home. The hallway offers doors to the ground floor accommodation and stairs to the first floor. Bedrooms two and three of the home are towards the front of the property and boast ample space for storage and plenty of natural light through the large windows. To the rear of the property, there is a spacious living room with a gas fireplace, and large window overlooking the garden. The true heart of the home is the kitchen and dining area. The kitchen offers grey painted wall and base units with complimenting matte black hardware. The tiled flooring and matching work surface offer a deep grey marble effect pattern. The kitchen also benefits from space for a fridge freezer, oven and washing machine. A large archway leads into the dining area/family room. The dining area offers a door to the garden, large sliding doors to the patio area and a window to the front, allowing lots of natural light to flood the room and bounce off the solid hardwood flooring. On the first floor, the bathroom can be found, that comprises bath with mains shower over, WC, and sink, with a useful window for ventilation. Over the stairs a large storage cupboard can be found, with a smaller door inside leading to useful eaves storage. The generously sized master bedroom offers eaves wardrobes and a large window that makes the room light and airy.

#### Outside

To the front of the property, there is a driveway with ample parking for multiple vehicles. There is a single garage that offers power, lighting, and water. The wraparound garden benefits from views to Rodborough Common and
