Accommodation

The ground floor of this three-bedroom terraced property offers well-proportioned and versatile living accommodation, with a spacious sitting room featuring a characterful exposed brick fireplace and plenty of natural light. The separate dining room provides an ideal space for family meals and entertaining, while the fitted kitchen offers a good range of wall and base units, ample worktop space and access to the useful covered side passage. Also located on the ground floor is a well-sized bathroom with a bath and shower over, wash hand basin and WC, with the covered side passage providing excellent additional storage and practical utility space.

The first floor provides three bedrooms, with the master bedroom being particularly generous and offering ample space for furniture and storage. The third bedroom is accessed directly from the master bedroom and does not have its own separate door, making it suitable as a child's bedroom, nursery, dressing room or home office. The second bedroom is also well proportioned and benefits from a good level of natural light, while the first floor is completed by the family bathroom, creating a versatile layout ideal for family living.

Outside

To the front, the property is approached via a paved pedestrian pathway from the street, with the attractive rendered and brick façade providing a traditional terraced appearance. The front entrance is accessed directly from the pavement.

To the rear is a generous enclosed garden, predominantly laid to decorative gravel and enclosed by timber fencing. The garden benefits from a covered seating area, timber shed and gated access, providing useful storage and a practical outdoor space with plenty of potential for seating and entertaining.

Location

The property is situated in a convenient residential area of Gloucester, with a range of everyday amenities close by, including local shops, supermarkets and schools. Widden Primary School and St James C Of E Junior School are both within the surrounding area, while Gloucester city centre provides a wider selection of shops, restaurants, leisure facilities and amenities.
