Outside

A block paved driveway provides parking for several vehicles and access to double garage via twin up and over doors. The garage houses the PV panels controls and offers good eaves storage.

Side access leads around to the rear garden which has been separated into two sections. The first offers a large patio adjacent to the rear of the property with oak frame porch (off lounge), alongside a lawned area with flower beds inset mature trees and shrubs. A gravelled path leads down to the versatile brick built building which could be used as home office or studio and has potential for annexe/auxiliary accommodation (subject to planning). It consists of entrance area with kitchenette and separate w.c and leads through to the main office/study space with power and electrics. The top section of the garden benefits from dog proof fencing and mature hedgerows.

The second section of the garden has been fenced off to provide a natural wild area and orchard with path leading to the workshop. There is also a five bar gate providing vehicular access. The workshop is a large and versatile space and provides two rooms with workbenches, power and lighting.

The garden benefits from lovely open aspect with far reaching views over agricultural land, with Huntley Woods close by. Total plot measure in excess of 0.75 of an acre.
