Accommodation

Accessed via a solid wooden door, the pitched-roof entrance porch provides useful coat storage and leads into the bright dual-aspect study, with a solid wood staircase and understairs storage. The spacious living room features parquet flooring, triple-aspect windows overlooking the gardens, French doors, a picture rail and attractive open fireplace. A cosy sitting room offers a striking brick inglenook fireplace with inset wood-burning stove, bay window seat and garden views, leading through to the formal dining room with parquet flooring and further character features. The traditional farmhouse-style kitchen/breakfast room features a range of wooden units, tiled work surfaces, and space for appliances, with windows to the front and rear, while an adjoining utility area, rear porch, and downstairs

WC add excellent practicality.

The first floor offers four bedrooms, including an impressive master bedroom with built-in wardrobes and drawers, triple-aspect windows and wonderful views over the gardens and surrounding farmland, together with a useful en-suite shower room. Bedroom two is a good-sized double with built-in storage, while bedrooms three and four each enjoy pleasant front-facing views. The family bathroom completes the accommodation and features a panelled bath with shower over, wash hand basin, WC and frosted rear window.

Outside

The property is approached via double gates leading to a long driveway, which opens onto a generous parking and turning area. The front garden is

predominantly laid to lawn and complemented by mature planted borders, with a pedestrian gate providing access to the property.

The rear gardens are a particular feature, offering a wonderful combination of established planting, colourful flower and shrub borders, a large area of lawn and a charming patio with water feature. Beyond the formal gardens is a productive area with greenhouse and vegetable beds, ideal for those wishing to enjoy a 'grow your own' lifestyle. Gated access leads through to the orchard, which is planted with a variety of mature apple and other fruit trees and includes three useful agricultural-style buildings, comprising a red brick and breeze-block garage, timber shed and timber lean-to with corrugated iron roof. The orchard is understood to be designated as a 'Traditional Orchard' under the Priority Habitat Inventory, Natural England (1 January 2024). The land benefits from additional access via Blacksmiths Lane and offers significant potential for future development, subject to the necessary planning permissions. The entire plot extends to approximately 1.73 acres.
