Charnock Bates

A characterful country barn with
spa retreat and woodland setting

Hidden among the trees on the edge of Denholme,
Whiteshaw Barn is a beautifully converted stone barn
offering a luxurious lifestyle immersed in a 3.6 acre plot.

With vaulted ceilings, grand arched windows, and woodland surroundings,
this five-bedroom home blends rustic warmth with spa-like indulgence –
including a mezzanine Jacuzzi bath, a cabin with sauna room, and a sunny deck
for outdoor living.

Ground floor

Stepping through the solid wooden front door into the entrance vestibule, you're immediately welcomed by soaring ceilings, an arched window, and traditional flagstone flooring. From here, doors lead to a downstairs WC, cloakroom, and on through to the heart of the home: the kitchen.

With flagstone flooring underfoot, the kitchen offers cream cabinetry with marble worksurfaces, downlighting, a Belling oven with induction hob and extractor, an integrated microwave, and an island with breakfast bar – all beautifully framed by two elegant arched windows. There's also a handy utility room.

The lounge is a cosy haven, featuring wooden floorboards and wide barn windows flanking a central cylindrical log burner – perfect for winter evenings watching the snow fall.

The second entrance vestibule, currently a relaxed sitting area, is bathed in natural light from the huge arched barn window and leads to the flagstone-floored sitting room, where a carved wooden mantel and multi-fuel stove create a warm, welcoming space.

First floor

A tartan-carpeted staircase and wooden balustrade lead to the first-floor landing, which evokes the charm of a cosy mountain lodge. Vaulted ceilings, exposed beams, and three large windows frame woodland and garden views.

From here, corridors branch off to a variety of bedrooms:

Principal bedroom suite

A statement room with circular and arched windows, plus a skylight. Behind a curved wall lies a walk-through wardrobe leading to an ensuite with jet shower and twin heated towel rails. A spiral staircase ascends to a private mezzanine with Jacuzzi bath and mood lighting – your own luxury spa at home.

Bedroom two

With a circular window overlooking the garden, this double bedroom enjoys its own ensuite shower room.

Bedroom three

A dual-aspect room with stunning views across both garden and fields, and an ensuite with shower.

Bedroom four (via attic staircase)

Tucked into the eaves with exposed beams and skylights, this charming double room has a closet and tranquil views.

Bedroom five (via another attic staircase)

Set beneath rustic beams, this spacious room enjoys two skylights, a storage cupboard, and an ensuite with bath and heated towel rail.

Gardens and grounds

Set behind two sets of electric gates (one set accessing the wider site, followed by another set to access this property) and an impressive sweeping driveway leading up to a large flagged courtyard – ideal for evenings around a firepit – Whiteshaw Barn feels like a private retreat set within a 3.6 acre plot.

A **detached double garage** includes a partially converted annexe with integrated kitchen (Lamona oven, fridge freezer, extractor) and shower room with WC – ideal as a guest space or home office. Below the lawned area is a hard standing area which can accommodate 10-12 cars.

To the front, a **decked area** spans a gently trickling **stream**, inviting alfresco dining and moments of calm. Nearby, a **timber cabin** fitted with a Kingspan-insulated roof and multi-fuel stove makes a charming reading room or garden hideaway.

Another **wooden cabin** currently serves as a **home gym**, with decking for a **hot tub** and a **sauna** inside – transforming your daily routine into a private wellness experience.

A **shed** and seven external double electric sockets offer practicality, while the surrounding **woodland** offers privacy and tranquility.
