SUMMARY

PRIME DEVELOPMENT SITE WITH PLANNING GRANTED FOR 3 CONTEMPORARY HOUSES

DESCRIPTION

An exceptional opportunity for builders and developers to secure a prime development site in one of Bristol's most sought-after urban locations.

Full planning permission is in place for the construction of three contemporary 3-bedroom terraced houses, each designed with private rear gardens. This level site with direct road frontage onto Little Caroline Place presents a rare chance to create an exclusive development of houses.

Positioned in the heart of Hotwells, the land sits just moments from Bristol Harbourside, an area that has experienced significant regeneration and sustained buyer demand over recent years. The location consistently attracts professionals, families and downsizers seeking high-quality new-build homes close to the city centre and waterfront amenities.

With an estimated GDV in the region of £1,950,000, this is a rare opportunity to deliver a boutique scheme in a proven, high-demand location.

LOCATION

The site is situated on Little Caroline Place off Dowry Place in the heart of Hotwells. Easy access is provided to Bristol's Harbourside, Clifton Village and the city centre.
