SUMMARY

MIXED USE INVESTMENT - 2 LARGE FLATS AND SHOP

DESCRIPTION

A mixed-use investment opportunity comprising a ground floor retail unit with basement and two one-bedroom flats. The residential accommodation is well presented throughout, with the ground floor flat benefiting from a private rear garden and the first floor flat enjoying a generous private balcony. The retail unit and basement offer scope for refurbishment and improvement, while there is further potential, subject to the necessary consents, to incorporate the commercial space into the ground floor flat to create a larger residential dwelling and enhance overall value. Planning was previously granted to incorporate the shop into the dwelling but has now lapsed. Once fully let, we expect a rental income in the region of £30,000 per annum. This is an excellent buy-to-let opportunity for investors, with the potential for further development, in a popular and well connected location.

LOCATION

Situated in the heart of Kingswood, the property is within easy walking distance of Kingswood High Street, offering an excellent range of shops, cafés, restaurants and everyday amenities. The location also benefits from excellent transport links into Bristol city centre and convenient access to the A4174 Ring Road.
