DESCRIPTION

A superb development opportunity comprising a site of approximately 0.26 acres with full planning consent granted for the demolition of the existing house and the erection of 6 new luxury apartments (3 x 2-bedroom duplex apartments and 3 x 2-bedroom apartments) with terraces, gardens and parking. The site backs onto The Dingle woodland and provides easy access to Blaise Castle Estate. There is scope to amend the approved planning permission to provide 3 x 4-bedroom houses (subject to consents), which is likely to increase the GDV and reduce build costs. A superb opportunity for builders and developers to create an exclusive development in one of Bristol's premier locations.

LOCATION

The site is situated on the borders of Stoke Bishop and Coombe Dingle with lovely local woodland walks through The Dingle and Blaise Castle Estate nearby. Westbury-on-Trym Village, Canford park and bus connections to central Bristol are all within easy reach along with access to the motorway network.

PLANNING

Full planning consent was granted on 25 November 2020 for the demolition of the existing buildings and the erection of 6 no. dwellings with associated works under Application No. 19/05047/F. The approved plans were amended under Application Number 22/02289/X, which was approved on 15 November 2023. The pre-commencement conditions have been discharged and works have commenced on site including the installation of a new retaining wall at the rear of the site.
