Rugby Road
Binley Woods CV3 2AY

Bedrooms 5
Bathrooms 1

On the leafy stretch of Rugby Road in the heart of Binley Woods, this handsome five bedroom semi detached home waits with a quiet confidence, set back from the road as though it knows it is something special. A generous driveway sweeps you in, offering space for family cars and visiting friends, and the established frontage gives a nod to the character and age of the house. This is not a boxy new build. This is a home with stories in its walls and sunlight that seems to linger a little longer in every room.

Step inside and the welcome is immediate. The hallway, dressed in beautiful Minton tiled flooring, feels like the opening line of a good novel. Light spills in, bouncing off the walls and guiding you towards the heart of the home. There is a sense of proportion here that is rare. Wide hallways, a generous landing, rooms that breathe. Storage is plentiful and thoughtfully tucked away, because real life needs space for shoes, coats and the occasional clutter.

The lounge is a room designed for lingering. A graceful bay window draws in the daylight and frames the world outside like a living painting. Solid wood flooring adds warmth underfoot, and the traditional fireplace, complete with a log burner, promises cosy evenings as flames flicker and conversations stretch long into the night. Built in oak cupboards and shelving bring both charm and practicality, making this a space that feels curated yet entirely comfortable.

The kitchen diner is made for long breakfasts that drift into lazy lunches. A range cooker stands proudly ready for culinary experiments, while the breakfast bar invites casual chats over coffee. French doors open into the conservatory, where garden views steal the show. In summer, throw open the doors and let the inside mingle with the outside. In winter, enjoy the garden from the comfort of warmth and light. A separate utility and cloakroom keep the practicalities neatly out of sight, yet always within reach.

Upstairs, the bedrooms continue the theme of light and personality. Traditional fireplaces and picture rails whisper of the home's heritage, while generous windows frame leafy views from every angle. Upstairs, the sense of space and character continues. The principal bedroom on the first floor is a true retreat, crowned by a beautiful bay window that fills the room with soft, shifting light from morning to dusk. A cast iron fireplace adds romance and personality, hinting at the home's heritage and offering a stunning focal point. It is a room that invites slow mornings and unhurried evenings. Additional bedrooms are equally well proportioned, some featuring traditional fireplaces and picture rails that nod to the property's age and charm. The re-fitted bathroom blends contemporary comfort with everyday ease. A stylish P shaped bath with shower over curves gracefully into the space, inviting long soaks at the end of the day. A vanity unit houses the sink, keeping surfaces sleek and storage tucked away.

The top floor bedroom feels like a secret retreat, tucked away with built in storage and its own sense of privacy, perfect as a principal suite, guest haven or teenage hideout.

Outside, the garden unfolds as a private escape. A patio for summer suppers, a lawn for play or quiet afternoon reading, and mature shrubbery that wraps the space in greenery and calm. It feels established, loved, and ready for the next chapter.

Life on Rugby Road means more than just a beautiful home. The village atmosphere of Binley Woods brings friendly neighbours, local shops for the daily essentials, and well regarded schools nearby. Excellent road links connect you effortlessly to Coventry, Rugby and the wider motorway network, making commuting refreshingly straightforward while still returning home to peace and greenery at the end of the day.

This is a home that balances character with comfort, village charm with modern convenience. It does not just offer space. It offers a lifestyle. And it is quietly asking who will be lucky enough to call it theirs next.
