Quietly positioned within the quiet residential setting of Hasilwood Square in Stoke, Coventry, this four bedroom detached bungalow offers an unexpected sense of space, light and versatility behind its attractive frontage. With driveway parking for up to three cars, the approach immediately feels practical and welcoming, ideal for growing families, multi-generational living or those simply seeking the ease of a detached home with generous proportions.

Step through the front door and you are greeted by a bright hallway finished with sleek laminate flooring that flows seamlessly into the heart of the home. The kitchen living area is an impressive open and sociable space designed for modern living. Expansive and filled with natural light, it effortlessly accommodates both comfortable seating and a dining arrangement, creating a setting where every day routines and special occasions blend together. The laminate flooring enhances the sense of continuity and space, while the layout invites conversation, whether you are preparing meals, hosting friends or enjoying a quiet evening in. The atmosphere is one of openness and flexibility, ready to adapt to the rhythm of family life.

On the ground floor, two spacious double bedrooms provide comfort and convenience. Each is carpeted underfoot, softening the space and creating a calm retreat at the end of the day. Their generous proportions allow for double beds and additional furniture without compromise, making them ideal for family members, guests or even a home office if required. The ground floor bathroom is fitted with a classic white three piece suite, complete with both a bath and separate shower cubicle, offering the best of both worlds for busy mornings and leisurely evenings.

A staircase leads to the first floor, where a skylight window above the landing draws in an abundance of natural light, creating a bright and airy transition between spaces. The sense of light continues into the two further bedrooms. One features fitted wardrobes and ample room for a double bed, combining practicality with comfort, while the fourth bedroom is another well sized room that can flex to suit changing needs. The upstairs family bathroom also benefits from a skylight window, bathing the white three piece suite in daylight and enhancing the feeling of calm and privacy.

Outside, the rear garden is a true sanctuary. Enclosed and mainly laid to lawn, it offers a secure and inviting space for children to play or for pets to roam freely. A raised decking area provides the perfect vantage point for outdoor dining and summer gatherings, while the gentle sound of the beautiful water feature adds a soothing backdrop to quiet afternoons. A sheltered sitting area creates an intimate corner to relax with a book or enjoy a morning coffee, protected from the elements and surrounded by greenery.
