Some homes simply give you space. Others give you a feeling. This one manages to do both, effortlessly. Set within a quiet cul de sac in the ever popular Ernesford Grange, this extended five bedroom semi detached home offers a lifestyle that feels as easy as it is inviting, where busy mornings, relaxed evenings, and everything in between find their perfect place.

Step through the front door and you're welcomed by a bright hallway, where clever built in storage keeps everyday life effortlessly organised. Ahead, the home begins to unfold in a way that feels both spacious and intuitive. The kitchen sits proudly at the front, dressed in timeless wood shaker style units, with tiled floors underfoot and soft spotlights above creating a calm, functional space where morning coffees turn into slow weekend brunches. Just beyond, the breakfast room becomes the natural hub of the home, connecting seamlessly to the dining area, making it easy to imagine laughter drifting between rooms during family meals or dinner parties with friends.

The dining room itself opens out through French doors, inviting the outside in and setting the tone for summer evenings that stretch long into the night. And then there's the lounge, a generously sized sanctuary with plush carpets and soft tones, where you can unwind at the end of a busy day. French doors lead you into the conservatory, a light filled haven that feels like a sunroom all year round. Whether it's a quiet morning with a book or a lively gathering spilling out into the garden, this is a space that adapts to your mood and your moment.

Upstairs, the sense of comfort continues. The principal bedroom is a true retreat, complete with built in wardrobes and a beautifully finished en suite, newly updated in November 2024 with elegant marble effect walls and sleek fittings that add a touch of everyday luxury. Four further bedrooms offer incredible flexibility, with generous doubles providing space for growing children or visiting guests, while the fifth bedroom lends itself perfectly as a nursery, home office, or that dream dressing room you've always imagined. The family bathroom is perfectly placed to serve the rest of the household, finished in clean, neutral tones with a white three piece suite and shower over the bath, making busy mornings and relaxed evening routines equally effortless.

Outside, the garden feels like a natural extension of the home's personality. A patio area greets you as you step out, perfect for al fresco dining or a spontaneous barbecue. The lawn stretches out beyond, offering plenty of room for children to play or simply to enjoy a bit of greenery under open skies. The covered timber lean to adds a practical yet charming touch, giving you sheltered space for storage or even a cosy outdoor nook when the British weather decides to be unpredictable.

The double storey extension has been thoughtfully designed to enhance both space and flow, ensuring this home grows with you rather than outgrowing you. And with a driveway that comfortably accommodates multiple vehicles, practicality is never compromised.

Beyond the front door, the location quietly delivers everything you could need. With excellent road links via the A46, nearby schools including Ernesford Primary and Secondary, and a host of amenities from the Warwickshire Retail Park to the Alan Higgs Leisure Centre, daily life becomes that little bit easier. Add in the nearby hospital and golf course, and you have a setting that balances convenience with calm.
