Shortland Horne are delighted to present this three-bedroom semi-detached family home, occupying a particularly good-sized plot on the popular Franciscan Road. Offering well-proportioned accommodation, a detached garage and, importantly, excellent potential to extend and further develop the existing footprint, the property represents a fantastic opportunity for buyers looking for a home they can enhance over time, subject to the necessary planning permissions.

The accommodation begins with an entrance porch leading into the hallway, with stairs rising to the first floor. A real feature of the ground floor is the generous through living room, providing an excellent amount of space for both lounge and dining furniture and making this a versatile room for everyday family life and entertaining.

To the rear is the kitchen, which leads through to a useful sunroom overlooking the garden. The current layout provides plenty of opportunity for reconfiguration, with the size of the plot lending itself particularly well to buyers wishing to explore a larger open-plan kitchen/dining/family space or further ground-floor accommodation in the future, subject to the relevant consents.

On the first floor, the landing provides access to three bedrooms, including two particularly well-proportioned principal bedrooms alongside a third bedroom which would work equally well as a child's room, nursery or home office. The accommodation is completed by the family bathroom.

Outside is where this property really comes into its own. The home sits on a generous plot, providing valuable outdoor space and offering the substantial potential to extend and develop the current accommodation in a number of ways. The rear garden is particularly well suited to a detached garage, and the potential to extend the existing footprint is also considerable.
