Broad Lane

CV5 7AH

Shortland Horne are delighted to bring to the market this impressive four-bedroom detached family home, occupying an exceptional and unusually generous plot just off Broad Lane. Built in 2019 by highly regarded Coventry developer O'Flanagan Homes, this is a superb opportunity to acquire a substantial modern home in a particularly individual setting, with only one neighbouring property of a similar style.

O'Flanagan Homes are a long-established, family-run Coventry housebuilder specialising in quality homes throughout Coventry and Warwickshire, with a reputation for creating smaller, carefully considered developments and homes finished to a high standard. This particular home also benefits from approximately two years remaining on its original NHBC warranty.

Without question, one of the outstanding features of the property is its remarkable plot. As the aerial photography demonstrates, the house sits on a long and substantial parcel of land, with an extensive rear garden stretching well beyond the property. It is the type of outside space rarely associated with a modern home and provides a fantastic setting for families, keen gardeners and those simply wanting considerably more space and privacy than typically found on a modern development.

Practicality has also been extremely well considered, with a separate utility room, ground-floor WC and direct access to the integral garage, providing valuable additional parking and storage.

The first floor continues to impress, offering four well-proportioned bedrooms arranged around a spacious central landing. The principal bedroom is particularly impressive and benefits from its own en-suite shower room, while another bedroom also enjoys the luxury of a private en-suite. The remaining bedrooms are served by a well-appointed family bathroom, making the layout particularly well suited to a growing family or those regularly accommodating guests.

Externally, the property really comes into its own. To the front is a generous approach providing off-road parking for several vehicles together with access to the garage, while to the rear lies the home's exceptional garden. The sheer depth of the plot gives the property a wonderful feeling of space and separation, with an extensive lawn and mature boundaries creating a fantastic environment for children, entertaining and outdoor living.

Combining a highly regarded local builder, approximately 1,765 sq ft of accommodation, four bedrooms, three bathrooms, home office, integral garage and an outstanding plot, this is a genuinely distinctive family home. Properties of this age offering this amount of land are particularly difficult to find, and an internal viewing — together with an appreciation of the plot itself — is essential to fully understand what makes this home so special.
