****No Onward Chain****

Set within the sought-after Canley Gardens area, this three-bedroom detached bungalow occupies a generous plot and offers excellent potential for a purchaser looking to modernise and create a home to their own specification. Benefitting from attractive gardens, versatile accommodation, a garage and potential for further extension subject to the necessary permissions, this is a property with plenty of scope in a very convenient location.

The accommodation is arranged entirely over one level and begins with a welcoming entrance hallway providing access to the principal rooms.

The living room is a particularly generous space, featuring an exposed brick feature wall with fireplace and doors leading through to the sunroom, which enjoys pleasant views across the garden and provides a useful additional sitting area.

The kitchen offers a good amount of fitted storage and worktop space, together with integrated cooking appliances and room for a breakfast area.

One of the property's major attractions is the amount of outside space available. The established gardens wrap around the bungalow and feature mature hedging, planted borders, paved seating areas and a range of shrubs and planting.

The garden offers considerable potential for further landscaping and could be transformed into a particularly attractive outdoor entertaining space.

There is also useful space to the side of the bungalow which may offer potential for an extension or reconfiguration of the existing accommodation, subject of course to obtaining any necessary planning permission, building regulations approval and other relevant consents.

The property further benefits from a garage, providing valuable parking and storage.
