NO ONWARD CHAIN

Set within the heart of Earlsdon, this traditional three-bedroom mid-terraced home offers generous accommodation across two floors and represents an excellent opportunity for first-time buyers, those looking to move into the area or investors seeking a well-positioned property close to Coventry city centre.

The property is approached through an entrance hallway retaining an attractive original minton tiled flooring, with access into a spacious front living room featuring a bay window and a separate dining room positioned centrally within the home. To the rear is a fitted kitchen, with a useful separate laundry area and ground-floor bathroom which has been insulated completing the accommodation on this level.

Upstairs, the first-floor landing leads to three bedrooms, including two particularly well-proportioned double rooms alongside a further third bedroom which has also been insulated providing a practical layout for families, sharers or those requiring space to work from home.

Outside, the property benefits from a private rear garden offering plenty of scope for a purchaser to landscape and create an attractive outside space.

Kensington Road is conveniently positioned within Earlsdon, providing easy access to the area's range of independent shops, cafés, restaurants and everyday amenities, while Coventry city centre and Coventry Train Station are also within easy reach. The combination of location, three-bedroom accommodation and further potential makes the property equally appealing as a first home, a move into this popular part of Coventry or as a long-term investment opportunity.
