Description

Occupying a quiet position within a residential cul-de-sac, this well-proportioned six-bedroom home offers flexible accommodation extending to approximately 1,239 sq.ft., with a layout particularly well suited to larger families and multi-generational living.

The ground floor is arranged around two generous reception rooms, creating clearly defined living and entertaining spaces, whilst the kitchen/breakfast room sits to the rear overlooking the garden. The garage has been incorporated into the accommodation to provide two additional bedrooms together with a shower room, creating an annex style arrangement that works equally well for dependent relatives, older children, guests or those requiring dedicated workspace.

The first floor comprises four bedrooms served by a family bathroom, with each room offering practical proportions and a straightforward layout that will appeal to families looking for long term accommodation rather than compromise.

To the front, a generous driveway provides parking for several vehicles. The rear garden is enclosed, enjoying gated rear access and plenty of space for everyday family use.

Scott Close is one of the quieter residential roads in West Drayton, tucked away from through traffic whilst remaining within easy reach of the High Street, Elizabeth Line station and Heathrow Airport. Excellent road connections via the M4, M25 and A40 place Central London, the Thames Valley and the wider motorway network comfortably within reach.
