EXTERIOR

Front

Boasting stunning far-reaching views towards the beautiful Ogston Reservoir, the property is approached via a generous tarmacadam turning driveway providing ample parking for several vehicles. There is access to both a single garage and a double garage, offering excellent storage or workshop potential.

Rear Garden

To the rear, this exceptional west facing and enclosed garden is a true highlight — backing onto open fields for a real sense of space and privacy. Set within a generous 0.4-acre plot, it is brimming with character, featuring mature trees, well-stocked borders, and a variety of fruit bushes, including a plum tree. Two useful outbuildings (one with a WC) add versatility, alongside dedicated space for a shed and greenhouse, shed included in the sale. A sun-drenched patio provides the perfect spot for summer entertaining, while established planting creates a tranquil countryside feel all year round.

PORCH

Accessed via a uPVC door with two frosted glazed panels, the porch features a radiator and attractive wooden flooring, creating a warm and welcoming first impression.

ENTRANCE HALL

The entrance hall features wooden flooring transitioning to carpet, with two radiators providing warmth. A built-in storage cupboard offers practical space, while single-glazed wooden windows look through to the porch. Finished with coving and wallpaper, this space sets the tone for the home's character and style.

LOUNGE DINER

A bright and spacious dual-aspect lounge diner featuring a soft carpet underfoot, two radiators, and a uPVC window. A marble fire surround with a gas fire creates a cosy focal point, complemented by coving and decorative ceiling light surrounds. uPVC sliding doors open into the sun room, allowing natural light to flood in and providing a seamless connection to additional living space.

SUN ROOM

Enjoying an abundance of natural light from its uPVC sky dome roof fitted in 2022, this versatile sun room features "Marmoleum" flooring, part-tiled and part-stone walls, and a radiator for year-round use. A uPVC sliding door opens directly onto the rear garden, while a window offers a pleasant view into the kitchen.

FORMAL DINING ROOM

A well-proportioned space with carpet flooring, radiator, and electric heater, decorated with wallpaper and finished with coving. Two uPVC skylights fitted in 2022 flood the room with natural light, while built-in storage adds practicality and also contains a serving hatch within it, which opens up on to and reveal the counter top of the adjacent kitchen. A wooden single-glazed window offers a view into the entrance hall, enhancing the room's character.

INNER HALL

Decorated with wallpaper and carpeted for comfort, the inner hall features coving and serves as a practical link between the lounge diner and the kitchen.
