

Beautifully Presented Four-Bedroom Detached Village Home | Sought-After Cul-de-Sac | Stylish Open-Plan Kitchen/Diner | Double Garage

A beautifully presented four-bedroom detached village home, quietly positioned towards the end of this highly desirable cul-de-sac in the popular village of Stanton St Quintin.

Substantially and thoughtfully upgraded by the current owners, this welcoming home combines well-proportioned accommodation with stylish modern living and a contemporary, light and considered finish.

The ground floor is approached by an entrance canopy and offers a welcoming entrance hall, laundry room and W/C, a dual-aspect sitting room with charming feature wood-burning stove, and a stylish refitted open-plan kitchen/dining room with contemporary breakfast bar, creating a sociable space for entertaining.

Upstairs, a spacious galleried landing leads to four bedrooms, including three generous doubles, together with a contemporary and spacious four-piece family bathroom.

Outside, the property continues to impress. Benefitting from an unusually large lawned frontage and limestone pathway, the property has an attractive and open approach, with a side gate providing convenient access to the rear garden and double garage.

The extensive, level and west-facing rear garden is fully enclosed and enjoys good natural sunlight throughout much of the day, providing a versatile space for outdoor living, entertaining and relaxation.

The property also benefits from planning permission for a single-storey extension and partial garage conversion, offering further scope to enhance the existing accommodation.
