## The Location

Wirksworth (Recently named in The Sunday Times as being the best place to live in Derbyshire!), is one of the oldest towns in Derbyshire and is a popular location for the exploration of the Peak District. The country houses of Chatsworth, Haddon, Hardwick, Bolsover, Kedleston and Tissington are all within easy reach and the opportunities afforded by outdoor pursuits in the Peak Park and nearby Carsington Water are endless. Approximately 14 miles from Derby, 23 from Nottingham and 27 from Sheffield, Wirksworth has become popular for commuters but remains a truly lived-in town with a real sense of community. It offers a good variety of shops, places to eat, several notable public houses and the independent Northern Light Cinema. There is a lively arts scene and this includes the well renowned Arts Festival which takes place over a fortnight in September. There is a market every Tuesday as well as a farmers market on the first Saturday of each month. Brantwood is just a few minutes walk from the centre of Wirksworth along the prestigious Gatehouse Drive, a sought after location and enjoying a good level of privacy.
