Property Overview

UNEXPECTEDLY BACK ON THE MARKET

Located in the semi-rural village of South Mimms and set back approximately 40ft from the road, this deceptively spacious and extended three bedroom mid-terraced family home enjoys lovely countryside side views to the rear, as well as having an additional garden area (75ft x 50ft) which is accessed from the garage en-bloc.

The accommodation includes a guest cloakroom/utility room, the lounge leads to an extended dining room which has a skylight above, fitted kitchen and to the first floor there are three good sized bedrooms and a bathroom which has a corner bath and a separate shower.

Externally there is a deep front garden, the rear garden has part raised decking with steps down to the garden which is laid with artificial grass.

There is potential to create off street parking to the front (as other houses have done in the road) subject to obtaining the required planning consents.
