

1 bedroom Flat - Conversion

**Knotts Green Road, London, E10**

£1,750 Per month

This is a light and airy flat with a fantastic living space. We loved walking around this property as it has polished wooden floors, high ceilings and a beautiful design throughout. The kitchen features integrated washing machine and dish washer and ample cupboards. The work surfaces are polished oak throughout. The kitchen overlooks the garden which is shared with the ground floor.

## Knotts Green Road, London, E10

*A period property recently redesigned adopting a Victorian feel. The property is located on the first floor and has wooden floors, high ceilings throughout. The living room has a bay window, picture rails and a featured fire place.*

*This has been recently refurbished in a contemporary fashion adopting a Victorian style. We loved the front door which has been reclaimed and restored. The radiator in the front living room is a 1920s restored radiator - that heats the whole flat.*
