ENTRANCE HALL 12'3" apx x 5'8" apx

You enter the property through a part glazed timber door, with side window, into a welcoming entrance hallway. There is a useful understairs cupboard, perfect for hiding away coats, shoes and other household items, and a staircase which ascends to the first floor landing. Doors lead to the lounge, dining room, dining kitchen, downstairs W.C and understairs cupboard.

DOWNSTAIRS W.C 5'8" apx x 2'11" apx

This convenient downstairs cloakroom is fitted with a pedestal hand wash basin with hot and cold taps, tiled splashback and a low-level W.C. There is a rear facing obscure glazed window and a door which opens to the entrance hall.

LOUNGE 15'10" apx x 11'5" apx

This spacious lounge spans the full depth of the property and has a large front facing window in addition to sliding patio doors which open to the rear garden. The room can comfortably accommodate a range of furniture and is a pleasant bright space. There is a marble effect fireplace with timber surround which houses a gas coal effect fire and creates a nice focal point, wall and ceiling lighting, and a door which leads to the entrance hall.

DINING ROOM 11'6" apx x 8'5" apx

Sitting to the front of the property is this versatile second reception/separate dining room. This would make a wonderful home office, playroom or fourth bedroom if required, or alternatively offers space for a table and chairs if a more formal dining setting is desired. There is a front facing window overlooking the garden and a door opens to the entrance hall.

DINING KITCHEN 11'6" apx x 10'9" apx

Generously sized, this kitchen is fitted with wall and base units, roll top work surfaces, tiled splashbacks and a stainless steel sink and drainer with mixer tap. There is space for freestanding appliances including oven, fridge freezer and washing machine, alongside room for a breakfast table. Positioned behind the dining room, there is the potential to knock through and create a stunning open plan living dining kitchen (subject to the necessary checks and building control permissions). There is a rear facing window which enjoys pretty views over the garden, vinyl tile effect flooring, and a door which leads to the entrance hall.

FIRST FLOOR LANDING

Stairs rise from the entrance hall to the first floor landing which has a rear facing window, over bulkhead built-in storage cupboard, and doors leading to the three bedrooms and shower room.

BEDROOM ONE 15'8" max x 11'7" max

This extremely well proportioned double bedroom has ample space for a selection of freestanding furniture. The area to the front of the property would make a fantastic dressing area; you can see from the images the previous owner had a dressing table and wardrobes here, and to the rear the room opens up to allow for a king-size bed, bedside tables and further bedroom items. Dual aspect windows flood the room with natural light and enjoy village views, and a door leads to the landing.

BEDROOM TWO 12'4" apx x 11'5" apx

Positioned to the front of the property, this good sized double bedroom enjoys rooftop and beyond views over rolling hills to Emley Moor Mast from its window. There is plenty of room to house furniture and a door leads to the first floor landing.

BEDROOM THREE 11'5" apx x 6'11" apx

A lovely third single/small double bedroom, this room sits to the rear of the house with a window overlooking the garden. There is wood effect vinyl flooring and a door which leads to the landing.

SHOWER ROOM 8'10" apx x 5'8" apx

Comprising of a white three piece suite including shower cubicle with glazed screen and electric shower, pedestal hand wash basin with mixer tap and a low level W.C, this shower room is partially tiled in decorative wall tiles, has an obscure glazed front facing window and a door which opens to the landing.

FRONT

The property sits proudly within a corner plot and to the front there is a pretty lawned garden with shrub and flower bed borders. An archway to the side of the house leads to the rear garden and a pathway leads to the front door.

DRIVE AND GARAGE

A gated side driveway provides off road parking for multiple vehicles and leads up to a single garage which has an up and over door, light and power. There is a side door into the house from the drive and a gate opens into the rear garden.

REAR GARDEN

This attractive garden has a large lawn which is surrounded by well stocked flower bed borders and boundary fencing. There is a space for a shed tucked away in one corner and behind the garage there is currently a lean-to storage space, although this would need some attention if you wished to keep it.

A secluded patio adjoins the property and is perfect for a bistro set and the glazed sliding doors open straight into the lounge.

There is access down either side of the house to the front.
