DESCRIPTION

The spacious entrance hall leads through to the rear of the house featuring an open plan premium kitchen and family diner, a large roof lantern adds an extra dimension to the open plan living space. With a separate seating area and large double glazed sliding doors opening to a rear terrace and garden this really is an exceptional space, perfect to extend your living area outside. A large living room with bay window, downstairs cloaks/WC and handy utility room, with external access door, completes this floor.

The first floor consists of a principal bedroom, separate dressing room and ensuite shower room, with Porcelanosa tiling. There are a further three double bedrooms, and a large family bathroom. An integral single garage completes this amazing family home. Outside there is a front, side and rear garden and separate private parking for two cars.

This home benefits from PV roof panels for a low carbon footprint and is and is 'A' rated for energy efficiency.
