KITCHEN 9'10" apx x 9'7" apx

Fitted with shaker style cream and oak effect wall and base units, granite work surfaces, tiled splashbacks and a ceramic one and a half bowl sink and drainer with mixer tap, this lovely neutral kitchen also benefits from a Cookmaster range style oven, extractor fan and integrated fridge. A window looks out over the front of the property, there is tiled flooring and a door leads to the hallway.

LOUNGE 16'11" apx x 10'10" apx

This large lounge offers ample space for a range of freestanding furniture and is tastefully decorated in soft pale tones. There is a feature brick fireplace with black tiled hearth which is currently home to a wood burning stove. The beautiful solid wood flooring continues through from the hallway, the room boasts ceiling and wall lighting alongside bi-folding doors which open fully into the conservatory providing the option to either separate the two living rooms or create an impressive open plan space.

*Please note there is no certification for the fire so this can be removed, and not replaced, if a buyer prefers.

CONSERVATORY 20'4" apx x 10'5" apx

A superb addition to the property, this fantastic conservatory spans the width of the property and offers extremely versatile living accommodation. The vendors currently have a dining table and chairs alongside sitting room furniture in here and often have the bi fold doors open into the lounge, making it the perfect entertaining space. There is an electric feature fire with timber mantle over, windows to three sides overlooking the pretty gardens, neutral decor and wood effect flooring. The aforementioned bi folding glazed doors lead to the lounge, French glazed patio doors open into the second bedroom/sitting room and further glazed patio doors provide access out into the garden.

BEDROOM ONE 12'9" apx x 9'2" plus wardrobes

This well proportioned double bedroom benefits from a bank of fitted wardrobes with oak/mirror sliding doors, which provide good storage and hanging space, and a front facing window. The room is decorated in soft neutral tones and has wood effect flooring underfoot. A door leads you to the hallway.

BEDROOM TWO 9'11" apx x 9'7" apx

Extremely versatile, this second bedroom would alternatively make a second sitting room, home office or hobby room. There is space for a double bed, although the vendors previously had a sofa bed in here offering the best of both worlds. The room is well presented, has solid wood flooring, French patio doors which can be opened into the conservatory and a door leading to the hallway.

BATHROOM 6'2" apx x 5'4" apx

Comprising of a three piece white suite including bath with central taps and an electric shower over, pedestal hand wash basin with mixer tap and a low level W.C, this modern bathroom is fully tiled, has space for freestanding storage and a side facing obscure glazed window. The drive then leads to a single attached garage which has a utility space with plumbing for a washing machine and space for a tumble dryer alongside light and power. There is an up and over door.

A side gate provides access to the rear garden.

Well established hedge boundaries provide privacy from the roadside.

GARDEN
