Hidden away behind private grounds just off Huddersfield Road lies an exceptional stone-built residence, dating back to 1853, that beautifully combines timeless elegance with luxurious contemporary living. Set within mature gardens with off-road parking, this impressive family home offers an exceptional balance of period charm, modern comforts and outstanding leisure facilities.

From the moment you step into the magnificent reception hall, the home's character is immediately apparent. Traditional tiled flooring, decorative cornicing, soaring ceilings and an elegant staircase create a striking first impression, while thoughtful renovations throughout have enhanced the property without compromising its heritage.

The ground floor provides superb family living, comprising a spacious lounge, formal dining room and an outstanding bespoke dining kitchen. Centred around a substantial island and feature stone fireplace, the kitchen is equipped with quality integrated appliances including a Bosch dishwasher, Miele microwave, Miele coffee machine. French doors lead directly onto the private rear courtyard, creating an ideal space for indoor-outdoor entertaining.

Entertainment continues on the lower ground floor, where the property offers a dedicated cinema room, games room, home office and utility room which provided ample storage and a fridge freezer. A Sonos surround sound system serves both the ground floor and lower ground floor, providing an exceptional audio experience throughout the principal entertaining spaces.

Across the upper floors are five generous double bedrooms, including a superb principal suite with walk-in dressing room and en-suite bathroom. Two additional bedrooms benefit from en-suite facilities, while the luxurious family bathroom features a freestanding bath and high-quality traditional fittings. LED feature lighting has been installed in all bathrooms, with the exception of the en-suite serving Bedroom Two, adding a contemporary finish.

Outside, the property continues to impress. The front garden extends to approximately 1,875 square feet, featuring two separate patio areas surrounded by mature lawns and established trees, creating a peaceful setting. To the rear, a beautifully enclosed sandstone courtyard enjoys LED feature lighting speaker, making it equally inviting during the evening.

Further enhancing the outdoor space is a stone-built storage shed, complete with power, lighting, alarm system and water supply, making it ideal as a workshop or secure garden store. Practicality is further enhanced with outside water taps to both the front and rear of the property.

Despite its wonderfully secluded setting, the property enjoys excellent accessibility to Halifax town centre, highly regarded schools, local amenities and the M62 motorway network, providing convenient links to Leeds, Manchester and beyond.
