The Development

Holters, together with H&W Developments, are delighted to introduce this stunning development of 3 and 4 bed properties that are located in the sought after rural village of Beulah, Powys. The Maes represents a unique opportunity to own a modern and contemporary home, built to satisfy the demands of modern-day living and the need for energy efficiency, within an attractive rural setting.

Phase 3 of Y Maes commenced in Spring 2023 and it is possible to secure your home with a deposit.

Whichever property type you choose, you'll enjoy generous living space and carefully considered room layout. And far from creating a development of identical houses, The Maes will be an attractive collection of individually styled homes. From the choice of brickwork to the colour of the window frames, every home in The Maes has been designed to sit harmoniously within the environment. Internally, you'll have a choice of fixtures and fittings, as well as options to upgrade –

it's the perfect opportunity to create the home you've always wanted.

The Property

8 The Maes, a Bronllys design, is a large semi-detached three-bedroom house, that extends to 1513 ft² (including the garage) with a large rear garden and an integral garage. To the front there are two car parking spaces that precede the garage.

The internal accommodation offers a canopy porch which leads into a large entrance hall with storage under the stair. The main reception room is on the left of the hall and located at the front of the house. There is the option to have a doorway direct into the kitchen. The kitchen/dining room is at the rear of the house, open plan with French doors and enjoys a pleasant view over the garden. There is a utility off the kitchen, which has an external door to the rear garden and access into a separate WC. The first floor accommodation has been designed to offer three bedrooms, two doubles and one large single. The master bedroom has a large en-suite shower room and dressing room. Bedrooms 2 and 3 overlook the rear garden.

A large three bedroom family home, with a good sized garden, parking and an integral garage. A well designed home!

The Location

The village of Beulah has a great community feel with a village shop and filling station central in the village. The Trout Public House is well known in the area for its food. Nearby is the town of Llanwrtyd Wells. With a population of just 850, it is the smallest town in Powys and claims to be the smallest town in

Britain. The town is on the A483 between Llandovery and Builth Wells and is located near the pass between the Tywi and Irfon valleys. Llanwrtyd Wells grew as a spa town around the Ffynnon Ddrewllyd, which still exists. The town is the site of both the World Bog Snorkelling Championships and the annual Man versus Horse Marathon, as well as other annual events.

The market town of Builth Wells (Llanfair ym Mault) is located at the heart of Powys, Mid-Wales in what is arguably some of the most beautiful countryside in the United Kingdom. Builth Wells lies within the Historic Boundaries of Brecknockshire, situated on the banks of the River Wye and the River Irfon – the upper section of the Wye Valley. Builth Wells is famously known for playing host to the Royal Welsh Show, which is the biggest agricultural show in Europe and attracts over 250,000 visitors to the town each year.
