The Property

14 Dol Las is a detached family home that has been extended and improved by the current owners to create a bright, flexible house with generous living space and views across the surrounding countryside. Finished to a high standard throughout, it combines modern open plan living with practical rooms that suit everyday family life.

The front door opens into an entrance hall with access to a study, a downstairs WC and the main living areas. The study sits to the rear of the house and works well as a home office or quieter space away from the busier parts of the house.

From the entrance hall, the main sitting room is a generous, dual aspect space with windows to both the front and rear. It is a comfortable, well proportioned room that feels spacious and works easily for everyday family living.

The kitchen sits at the centre of the home and has been opened up to form a spacious kitchen and dining area. It is well laid out with good storage and workspace and includes a door leading directly outside. This is an easy, sociable space that works well for family meals and entertaining.

From the kitchen diner, the layout flows into the extended sun room, currently used as a utility but offering far more flexibility than that alone. With a large glazed ceiling window bringing in plenty of natural light and bi fold doors opening onto the garden, it is a generous space that would suit use as a playroom, second sitting room or garden room.

Upstairs, the accommodation continues to feel spacious and well balanced. Bedroom one is a large double room with built in storage and an en suite shower room. Bedroom two is also a generous double with built in storage. Bedroom three is currently used as a dressing room, while bedroom four is a small double. A spacious family bathroom serves the remaining bedrooms and is fitted with a bath, walk in shower, wash basin and WC.

Throughout the house there is a strong sense of light and space, with views out towards the surrounding countryside adding to the overall feel.

Outside, there is a small lawned area to the front along with extensive parking and a large gravelled hardstanding area, well suited to multiple vehicles or

more practical uses. The attached garage sits alongside the neighbouring garage.

To the rear, the garden is enclosed and laid mainly to lawn with a patio seating area and a good sized shed, providing a private and usable outdoor space to enjoy throughout the year.

Extended in recent years and presented in excellent condition, 14 Dol Las offers a comfortable and well organised family home with plenty of space both inside and out, set within a village setting with an open outlook.

The Location

Abermule is a welcoming village in the heart of Powys, where a strong community spirit and everyday practicality go hand in hand. Families benefit from a well-regarded primary school, a modern community centre, sports pitches, play areas, a convenience store, and a friendly local pub – all within easy walking distance.

Just 5 miles to the south, Newtown offers supermarkets, high street shops, leisure facilities, and secondary schools. Eight miles north, Welshpool adds more shopping and dining choices, along with a mainline train station linking to Shrewsbury, Birmingham, and beyond.

The A483 passes through the village, making travel quick and straightforward, while regular bus services connect to neighbouring towns. The surrounding countryside and the nearby River Severn provide plenty of

space for walks, cycling, and outdoor adventures, giving families the freedom to enjoy both village life and the outdoors.

Abermule strikes an easy balance — a place where children can grow up with a sense of space and safety, yet where schools, shops, and workplaces are all close at hand.
