The Property

2 Rose Cottage is a gem of a property, full of heart, clever touches and character in every corner.

Beautifully arranged over three storeys and lovingly updated throughout, the property offers the perfect blend of period charm and modern convenience — with a stylish new kitchen and bathroom, bright interiors, a fabulous garden, and even private parking, all tucked just a short stroll from the town centre.

Step through the new front door into the welcoming living room, where a large front-facing window brings in plenty of natural light. Wood-effect flooring and a traditional fireplace create a cosy, relaxed feel that flows through to the dining room — a perfect spot for quiet dinners or catching up with friends — and into the kitchen beyond.

The kitchen has been thoughtfully

renovated with soft grey Shaker-style units, metro tile splashbacks, and a generous skylight that gives the space a bright, airy feel. There's room for essential appliances, plenty of storage, and direct access to the garden via the adjoining lean-to/utility.

Upstairs, the first floor is home to the main bedroom with its bay window and original features, as well as the newly fitted bathroom — stylishly tiled and equipped with a shower over bath, WC, and wash basin. The staircase leads to the top floor, where two additional bedrooms offer cosy and flexible spaces ideal for children, guests, or working from home.

Outside, the enclosed side garden is a true bonus — thoughtfully landscaped with a lawn, patio, raised beds, and two sheds, plus a larger timber workshop with power and lighting. The private parking area beyond the garden is a rare find in this part of town and adds real convenience to daily life.

Full of charm, neatly presented, brilliantly located, and competitively priced — this is a lovely home that makes the most of every inch. Give Holters a call to arrange a viewing — we'd love to show you around.

The Location
