### **Location**

Coventry is a cathedral city in the heart of England. Surrounded by beautiful Warwickshire countryside and part of the West Midlands region, Coventry is home to over 300,000 people making it the 11th biggest city in the UK. Coventry's history lies in manufacturing, with British cycle and motor history very much rooted in the city. Coventry was also famed for its ribbon industry and watch/clock making, although innovative technologies, retail, tourism and leisure now complement the more traditional areas of manufacturing. The city has two universities – the city centre-based Coventry University and the University of Warwick on the southern outskirts. Coventry is well connected by rail, with a direct service from Coventry to London Euston taking just 59 minutes. The M6, the M69 and the A45 are the city's main road links.
