BUY-TO-LET OPPORTUNITY!

This investment property comprises two self-contained one bedroom flats, offering a ready-made opportunity for any buy-to-let landlord looking to expand their portfolio with an immediately income-producing asset. Currently generating an annual income of £9,600.

Set within a traditional style building, the property benefits from high ceilings and generously proportioned rooms, creating a sense of space not often found in typical one bedroom flats. Each unit extends to approximately 60 square metres, providing well balanced accommodation that is highly attractive to long term tenants.

The building includes a spacious ground floor flat and a well proportioned first floor flat, both offering comfortable and practical layouts. With long term tenants already in place, the property delivers instant rental income from completion, making it an ideal low-hassle addition to a portfolio.

Further benefits include an enclosed rear garden serving the ground floor flat, adding additional appeal for tenants and supporting long term occupancy. This is a solid, straightforward investment combining character, space and reliable income – well suited to both new and experienced landlords.

A shared entrance lobby provides access to both flats, with separate doors leading to the ground floor accommodation and the staircase to the first floor.

The ground floor flat opens into a spacious lounge with bay window, enhanced by the higher ceilings typical of the building's style. A corridor leads through to a rear facing double bedroom, with further access into a through dining area, offering additional living flexibility. This continues into the bathroom and onto a contemporary fitted kitchen, which provides access out to the rear garden.

The rear garden is enclosed, laid to lawn and benefits from pedestrian rear access, offering valuable outside space for tenants.

From the entrance lobby, a staircase leads to the first floor flat, where a landing provides access to all rooms. The accommodation includes a large living room spanning the front of the property, a rear facing double bedroom, a bathroom, and a kitchen positioned to the

rear – all again benefitting from the generous proportions and ceiling heights.
