WITHERNSEA, HU19 2DW

Positioned directly on the seafront with uninterrupted panoramic views stretching across the promenade, sandy beach, and shimmering sea beyond, this impressive four-bedroom, three-storey terraced home offers an exceptional coastal lifestyle. With tall ceilings, generous room proportions and a modern finish throughout, the property is perfectly suited to families seeking a spacious home with every advantage of seaside living right on the doorstep.

Offered to the market with no chain and vacant possession, the home combines character and contemporary comfort, boasting an open-plan living layout, versatile accommodation, and a stunning outlook from every front-facing window. From the promenade, steps lead directly down to the beach, while the town's shops, cafes, pubs, and amenities are only moments away – ensuring daily convenience alongside idyllic scenery.

Externally, the property features a west-facing, low-maintenance rear garden complete with a brick-built outbuilding currently used as a stylish home bar, offering further potential for use as a home office, hobby room, or gym. A large garage situated in the block immediately behind the house provides excellent additional storage or off-street parking if required. This is a rare opportunity to secure a substantial seafront home in such a prime position, beautifully presented and ready for its next chapter.

A front garden adjoins the promenade and an internal porch opens to the entrance hall with a traditional spindle staircase rising to the first-floor landing. Access leads into a spacious open-plan living room with a bay window facing out to sea, centred around a solid fuel stove.

Continuing through is a stylish cream and plum gloss kitchen diner with built-in oven, American Fridge Freezer and integrated washing machine. A ground-floor WC and walk-in storage cupboard lead from this, followed by the garden room at the rear, with French doors overlooking the garden which is paved for ease of maintenance. A brick-built outbuilding is set up as a home bar.

A gate opens to a passageway at the rear leading to an area housing a large garage set within a garage block, with double doors and vehicle access from neighbouring Young Street.

To the first floor is a split-level landing with a tiled bathroom, rear-facing double bedroom, and a principal bedroom suite that faces out over the sea and has an adjoining dressing room with tiled en-suite shower. Two further bedrooms complete the second floor.
