This well-presented three-bedroom semi-detached home offers a superb opportunity for a young family or anyone seeking versatile, ready-to-move-into accommodation. Neutrally decorated throughout, the property provides a perfect blank canvas for personalisation or can be enjoyed exactly as it is. Featuring off-street parking via a private driveway, and a deceptively large rear garden, the home is designed for comfortable, modern living. A standout feature is the multipurpose outbuilding at the bottom of the garden – currently arranged as a stylish garden bar, but equally suited as a home office or hobby space for those needing room to work or unwind. Inside, the contemporary kitchen leads into a rear dining room extension, adding valuable living or dining space alongside a spacious front lounge. With a ground floor bedroom and WC, and two further double bedrooms and a bathroom to the first floor, this flexible layout caters to a range of lifestyles. Offered to the market with no onward chain, this inviting home is ready for its new owners to move straight in and make it their own.

A gravelled frontage and side driveway provide ample off-street parking, with a gate opening to the large west-facing rear garden. Here, a hardstanding patio area flows into a lawned garden bordered by decorative slate chippings and raised planters, all enclosed by fenced boundaries for privacy. A substantial wooden shed offers excellent outdoor storage, while the garden building at the far end – complete with power supply – provides an adaptable space ideal for entertaining, hobbies, or home working.

Inside, the entrance hallway includes a ground floor WC and staircase leading to the first floor. The lounge spans the front of the property, offering generous room for family living. A ground floor bedroom, conveniently located beside the WC, provides an excellent option for guests or single-level living. The modern kitchen, fitted with white gloss units, opens through to the rear dining room extension, a bright and airy space overlooking the garden that's perfect for

dining or relaxing. Upstairs, the landing offers built-in cupboards for storage and access to part-boarded eaves space. Two double bedrooms and a family bathroom with a shower over the bath complete the accommodation.
