## 9 Cooks Gardens

Asking Price £175,000

Keyingham, HU12 9SW

Set across three well-proportioned floors, this modern early-2000s semi-detached townhouse offers generous, flexible accommodation ideal for a growing family. With four bedrooms—including an impressive top-floor bedroom suite complete with dressing area, fitted storage, and ensuite shower room—this home provides the space and versatility that today's buyers value. The layout is practical, with a WC on every level, a spacious living room opening directly onto the garden, and a contemporary footprint that lends itself perfectly to family life.

The property sits in a desirable residential pocket of the village, just moments from a nearby children's play area, making it ideal for younger families looking to settle long-term. A private driveway provides parking for two vehicles, while the low-maintenance rear garden ensures outdoor space can be enjoyed without the upkeep of extensive gardening. While certain areas would benefit from cosmetic refreshment, it is attractively priced to allow a new buyer to add their own style and unlock the property's full potential. A superb opportunity not to be missed.

Stepping inside, an entrance hall welcomes you, with stairs rising to the first-floor landing and a ground-floor WC positioned off the hallway. Access leads into the kitchen at the front, fitted with wooden-fronted units, a bay window, and tiled flooring throughout. Continuing through, the good-sized living room sits at the rear, featuring a built-in storage cupboard, a central fireplace, and French doors opening out onto the rear garden. The garden is paved and gravelled for minimal maintenance, enclosed to all sides, and includes a side gate providing access to the driveway.

Stairs lead onto the first-floor landing, where a built-in airing cupboard houses the hot water tank. This floor offers three bedrooms – two doubles and a well-proportioned single – served by a tiled family bathroom with shower over the bath. The stairs then rise again to the second floor, which is dedicated entirely to a superb principal bedroom suite. This impressive space

includes built-in storage, a dressing area, and a private ensuite shower room, creating a peaceful retreat away from the main living areas.
