It fronts a large courtyard area which is part gravel, part paved and provides extensive general car parking. In addition there is a separate driveway to the side of the development providing access to further car parking facilities and access to the excellent garage which comprises the first unit of a former barn which has been converted to provide a double garage with loft storage over.

Moscow Farm Court stands within approximately half an acre and occupies a pleasant situation with open aspects to three sides and is convenient for the excellent facilities of Duffield village and is within easy commuting distance of Derby and Belper.
