A charming stone terrace cottage of character occupying a cul-de-sac location nestling into the hillside of the very sought after Eaton Bank. The property is offered for sale with no chain involved.

It is located along one of Duffield's most premier locations ideally suiting the professional or single persons. Eaton Bank is a pleasant leafy and tranquil setting located close to walks in the beautiful Bluebell Woods and countryside.

We believe the property was built around the 1860's and is constructed of stone beneath a roof of slate with the front elevation having an attractive appearance revealed by period wooden sash windows, stone lintels and sills and entrance door. The property is set back from pavement edge behind a foregarden which is laid to lawn with flowerbeds and attractive stone wall.

An internal inspection will reveal gas centrally heated living accommodation and briefly comprises, charming lounge with stone fireplace with log burning stove, kitchen/diner, understairs storage/pantry with shelving, first floor landing, double bedroom one with period display fireplace, small bedroom two/study with two useful built-in storage cupboards and a bathroom with shower.

To the rear of the property, there is a garden laid to lawn with flowerbeds and patio. There is also a useful outside utility/laundry room with power, lighting and plumbing for automatic washing machine.

In front of the cottages is off-road car parking.

The Location

The location is convenient for Duffield and Little Eaton.

The village of Duffield provides an excellent range of amenities including a varied selection of shops and schools including the Meadows and William Gilbert Primary Schools and the noted Ecclesbourne Secondary School. There is a regular train service into Derby City centre which lies some five miles to the south of the village. Local recreational facilities within the village include squash, tennis, cricket, football and the noted Chevin golf course. A further point to note, is that the Derwent Valley in which the village of Duffield nestles is one of the few world heritage sites.

Little Eaton village is also easily accessible from this property providing local shops, reputable Village Primary School, historic church, public houses, regular bus services and noted village park.
