The Location

The village of Duffield provides an excellent range of amenities including a varied selection of shops, post office, library, historic St Alkmund's Church and a selection of good restaurants. The village has excellent medical and educational facilities both at primary and secondary level (Ecclesbourne Secondary School). There is a regular bus service along the A6 between Derby and Belper. Also a regular train service into Derby City centre, which lies some 5 miles to the south of the village. Local recreational facilities within the village include squash, tennis, cricket, football and the noted Chevin Golf course. A further point to note is that the Derwent Valley in which the village of Duffield nestles, is one of the few world heritage sites and is surrounded by beautiful countryside.
