Occupying a superb position within the rolling landscape of the Derbyshire Dales, Barn 1 at The Beeches, Brassington Lane, Bradbourne presents a rare opportunity to create a beautifully designed bespoke country home within an exceptional rural setting.

Extending to approximately 0.5 acres, this attractive parcel of land benefits from full planning permission for a striking 4,000 sq ft farmhouse-style residence, together with a detached double garage, thoughtfully designed by Sitwell Homes.

The approved design blends the timeless character of a traditional Derbyshire farmhouse with the space, light and openness required for contemporary family living. The proposed accommodation centres around a welcoming reception hallway, leading to a series of generous reception spaces ideal for both entertaining and everyday living.

The layout provides four luxurious en-suite bedrooms, complemented by multiple reception rooms and a dedicated open study, offering flexibility for modern lifestyles while maintaining an elegant and cohesive design.

Approached via a private sweeping driveway, the residence will enjoy a strong sense of arrival, with the detached double garage providing excellent parking and storage.

Surrounded by beautiful open countryside, the plot enjoys far-reaching panoramic views, creating a peaceful and inspiring setting for a home of distinction.

Situated within the charming village setting of Bradbourne, and within easy reach of the historic market town of Ashbourne, the location offers the perfect balance of rural tranquillity and everyday convenience, with the wider Peak District National Park close at hand.
