The Location

The village of Duffield provides an excellent range of amenities including a varied selection of shops and schools including The Meadows, William Gilbert Primary Schools and the noted Ecclesbourne Secondary School. There is a regular train service into Derby City centre which lies some 5 miles to the south of the village. The thriving market town of Belper is situated 3 miles north of the village and provides a more comprehensive range of shops and leisure facilities. Local recreational facilities within the village include squash, tennis, cricket, football, rugby and the noted Chevin Golf course.

A further point to note is that the Derwent Valley in which the village of Duffield nestles, is one of the few world heritage sites.
