The property market has always interested me and seeing the reaction when someone finds their next home is something that really drives me to go above and beyond. I have a pride in my local area having grown up here, this also allowed me to grow a strong knowledge of the local community. With experience in the role already I look to provide a service to both buyers and sellers in which communication and transparency are key. I am incredibly proud to be a part of such a brilliant team dedicated to providing bespoke service to such a beautiful community.

An unrestricted fully immersive walkthrough is available in our E|J Business Lounge by arrangement. Restricted walkthrough access is available on our website through your smartphone or desktop.
