- Private balcony with south-westerly aspect offering the best balance of light and warmth
- Large secure underground premium parking space (worth £175 PM!!)
- 24-hour concierge in central LS1
- In possession of EWS1 - B1 Rated

The apartment offers a bright and well-balanced layout, with an open-plan kitchen, dining and living area designed for both everyday comfort and entertaining. Large glazing allows natural light to flood the space, while the balcony provides an ideal setting to relax and enjoy the warmer months with a sunny orientation towards the city skyline.

A particular highlight — and significant premium feature — is the large, secure underground parking space, offering exceptional convenience and ease of access. Spaces of this size and position are limited within the building and add genuine long-term value for both owner-occupiers and investors.

West Point remains one of Leeds city centre’s most established and recognisable residential addresses, benefiting from secure entry, lift access and a 24-hour concierge service, all just a short walk from Leeds Railway Station, the financial district and the city’s vibrant retail and leisure scene.

An ideal purchase for professionals seeking a central lifestyle, or investors looking for a proven development with consistent tenant demand.
