- Total cost of first month: £2,700 (rent & deposit)
- Available now
- Two ensembles
- Great location
- Energy efficient

The bright and airy property is spread over three floors and has a modern open plan kitchen, dining and living area on the ground floor with energy efficient integrated appliances and patio doors leading to a decked area at the front. There is also a useful storage cupboard and downstairs WC. On the upper floors, there are two large double bedrooms each with an impressive ensuite bathroom.

High levels of insulation, triple glazed windows and Mechanical Ventilation Heat Recovery (MVHR) are just some of the features which lower the heating demand in winter and keep the property cool during the summer. The townhouse has unparalleled efficiency and makes it easy for occupiers to live sustainably and with a lower carbon footprint.

Smart Home technology allows you to control and monitor your heating from your phone and manage your energy consumption 24/7.

The townhouse is in an excellent location, with Leeds Dock, Brewery Wharf, the Calls and city centre all within easy walking distance. Residents have access to the lovely communal landscaped gardens of the Climate Innovation District and can also benefit from on-site amenities and community activities.

Available immediately subject to acceptable referencing.

Rent: £1,350 per calendar month
Deposit: £1,350
Holding deposit: £311.53

Broadband and electricity at the development are supplied by the utility company instructed by the Community Interest Company. There is no option to change this to another provider due to the billing of on-site energy production. Broadband is approximately £40 per month.

The photos and video tour are representative of this type of house and are not of the actual property. Viewing is essential.
