# The Property

---

Welcome to Hampstead House, an exclusive boutique development of eight beautifully crafted new homes positioned on the lower slopes of Hampstead. Created by Proma Developments, this high-quality collection of studio, one-bedroom and two-bedroom apartments has been designed with an uncompromising commitment to luxury, comfort and proportion. Completion is scheduled for April 2026.

Every residence has been meticulously considered, offering generous internal proportions, private outdoor spaces, and exceptional ceiling heights that set these homes apart from typical new-build offerings. Interiors feature bespoke joinery, Farrow & Ball-inspired palettes, premium appliances, stone worktops, and underfloor heating throughout, creating a refined and contemporary living environment.

The development's communal areas have been designed to make an immediate impression. Residents are welcomed through a sophisticated lobby furnished with designer pieces, enhanced by ambient lighting and a bespoke chandelier. Additional features include a Schindler lift, secure cycle storage, generous resident amenity spaces, and smart video entry with mobile phone integration. Resident permit parking is also available. Perfectly located between Hampstead, West Hampstead and Golders Green, Hampstead House places you moments from the area's most desirable amenities. Whether enjoying the open spaces of Hampstead Heath, Golders Hill Park, or the boutique cafés and eateries of Hampstead Village and West Hampstead, everything is within easy reach. Golders Green Station (Northern Line) is approximately a 15-minute walk, with excellent transport connections to Central and North London. Multiple bus routes are available from Finchley Road, alongside nearby Jubilee, Metropolitan and Overground lines via West Hampstead and Finchley Road stations.
